#### SC-500 ADDITTONAL INFORMATION

The defendants entered into a six (6)- month lease agreement to rent the mobile home located at 9551 State Highway 13 South in Wisconsin Rapids, WI for \$450.00/month. The defendant moved in December 22, 2015 with the lease starting January 1, 2016. Because of the tenant's domestic situation and job change, we agreed to accept the prorated rent for December of \$147.90 when the tenant was paid and the security deposit to be made through installments.

The Tenant set several appointments to meet to make payments but never arrived or had to reschedule. On 1/24/16 the Tenant was given a 5-day *pay or quit* notice. Since then we have still not been able to receive any payments although the Tenant has assured us both via telephone and text that the payments were forthcoming.

Currently the Tenant owes \$597.90 in back rents from December 22, 2015 through January 31, 2016. Rent continues to accrue while occupancy is maintained at the rate of \$14.79/day. No security deposit has been given to credit toward that amount and only the electric service was placed in the tenant's name so the gas service charges will also be owed.

Because the defendants continue to occupy the property and are unable or refusing to pay, we are left with no other recourse but to seek eviction and judgement for money damages which are unable to be fully calculated at this time.
